

Sunset Round

Sofas / Classic Collection

Sunset Round replaces a straight sectional outline with curved modules that turn the seating toward a shared centre. The rounded back and broad upholstered surfaces make the arrangement visible as a continuous form rather than a sequence of separate chairs.

A curved layout is useful to consider for conversation groups in a spacious lounge. Check the overall diameter and the access points between modules so the centre remains approachable.

Dimensions & configuration

Seat depth 66/106 cm.

Seat height 43 cm.

Armrest width 27 cm.

Armrest height 57 cm.

Metal leg height 17 cm Available in all collection finishes

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size & layout: discuss a straight, corner or modular arrangement for your space. The final design follows the approved drawing.

Upholstery & colour: send your preferred fabric, leather swatch or colour reference. Material suitability and colour are confirmed from physical samples.

Details: specify your preferred leg finish, surface finish and stitching colour for review with the material selection and quote.

Design & construction

Multilayer wood frame with elastic webbing seat suspension.

Polyurethane seat cushion with a feather pad.

Polyurethane back cushion with a feather pad.

Bed option not available.

All elements have moving back cushions.

C57 included in the price of the E01 module.

Stitching CUC 518.

Care instructions

Clear debris around the moving backs before adjusting them as instructed; do not spray cleaner into sliding gaps or connections.

Gently smooth the foam back cushions and their feather layer; do not beat or wring the cores like loose-feather pillows.

Before ordering
