

Gregory Night

Beds / Design Collection

Gregory Night uses a broad, divided headboard with straps at the outer sides. Defined piping follows the padded outline, while the lower frame keeps the emphasis on the width and detail of the headboard.

The recorded hardwood structure has polyurethane and wadding padding and a wooden slatted mattress support. Its lateral details remain part of the view from beside the bed, making the spacing to bedside cabinets and wall lights worth considering early in the layout.

Dimensions & configuration

Headboard height 110 cm.

Base height 32 cm.

Wood leg height 4 cm.

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size: provide the mattress width and length, room dimensions and preferred headboard proportions. Overall bed-frame dimensions follow the approved drawing.

Upholstery & colour: send a fabric or leather swatch, or a colour reference, to coordinate the headboard and bed frame.

Order specification: confirm the frame, support system and any additional components. Mattress and bedding inclusion is specified in the quote.

Design & construction

Hard wood frame.

Polyurethane headboard padding covered with wadding.

Polyurethane base padding covered with wadding.

Mattress not included in the price.

European wooden slats.

Back of the headboard in fabric.

Care instructions

Gently dust the headboard and bed-rail seams; follow separate care labels for bedding and the upholstered frame.

Keep the fabric on the back of the headboard dry and ventilated; do not press it against a damp wall.

When tending the mattress, remove loose dust from the slats and keep the underside ventilated; do not spray cleaner at the slat connections.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
