

Cruise

Armchairs / Design Collection

Cruise is a chaise longue with long padded cushions carried by an exposed frame. Straps and contrasting edging break up the large upholstered surfaces, while the open support structure gives the piece a lighter side view.

The extended seat needs more room than an upright armchair. Position it where the reclining length can remain clear of a doorway or circulation route, with a small table within reach of the head end.

Dimensions & configuration

W. 82 cm x H. 83 cm x D. 166 cm.

Seat depth 100 cm.

Seat width 82 cm.

Seat height 53 cm.

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size: discuss seat width, depth, height and back proportions. Custom dimensions follow the design and approved drawing.

Upholstery & colour: provide a fabric or leather swatch, or a colour reference, for material and sample confirmation.

Base & details: discuss the base material, finish and stitching colour. Functional options such as a swivel base require separate confirmation.

Design & construction

Metal frame and multilayer wood structure.

Seat and back padded in polyurethane and covered with Dacron.

Metal frame available in all collection finishes.

Stitching CUC 501 C.

Care instructions

Smooth the foam-padded surfaces gently; do not beat, wring or saturate the padding.

Gently dust upholstered seams, edging and adjacent surfaces separately; keep cleaning liquid out of the seams.
