

Baku Nightstands

Nightstands / Design Collection

Two stacked drawers and rounded corners give the Baku nightstand a compact, continuous shape. A defined top edge frames the upper surface, and metal handles provide a small contrast against the covered drawer fronts.

The hardwood body is wrapped in leather, with glass, ceramic and marble top choices listed. Match the upper surface to the height of the mattress and bedside lighting, and leave enough room in front for both drawers to open.

Dimensions & configuration

60 x 52 x H 57cm

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size & storage: discuss cabinet width, depth, height and drawer arrangement for the bedside space. Final dimensions follow the approved drawing.

Surfaces & colour: request cabinet upholstery, timber finishes and top materials for review against this design and physical samples.

Hardware & details: discuss handles, base details and metal finishes for confirmation with the materials and quote.

Design & construction

Hard wood frame covered in leather.

Nighstand with 2 drawers.

Glass top available in: smoked or white (RAL 9003).

Ceramic top available in all customizing finishes.

Marble top available in all customizing finishes.

Metal upstand and handles available in all customizing finishes.

Stitching CUC 507.

Care instructions

Empty drawers before dry dusting; keep liquid away from runners, handle fixings and panel joints.

Dust the cabinet covering separately from the top; keep liquid out of covered edges, panel joints and base connections.

Follow the care instructions for the selected top finish and identify its material before using a cleaner.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
