

Portable Storage Bag

Accessories / Design Collection

A separate storage bag adds a small accessory to the sofa arrangement. The reference photographs show it beside the seating, with the covering coordinated to the surrounding upholstery.

Compare its position with nearby side tables and the route past the sofa. Dimensions and the selected covering can be discussed alongside the furniture it will accompany.

Dimensions & configuration

Reference configuration B03 · Storage bag: 63 × 30 × 43 cm (W × D × H).

Reference configuration B04 · Storage bag: 51 × 33 × 43 cm (W × D × H).

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Bag size: discuss width, depth, height and opening proportions for the approved sample or drawing.

Materials & colour: provide an upholstery sample or colour reference to confirm the finish and texture.

Details: submit handle, stitching and storage requirements for sample and quote confirmation.

Design & construction

Storage bag coordinated with the sofa upholstery and style.

Care instructions

Gently dust the bag and handle connections with a soft, dry cloth; do not pull the seams or leave damp items inside.

Follow the actual labels for the bag and lining separately; do not soak or machine-wash the complete item before its materials and removable parts are confirmed.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
