

Smart Stools

Chairs & Stools / Design Collection

Smart Stools combine an upholstered occasional seat with an opening top that reveals a magazine-storage space. The collection includes several forms, with surface options that give selected versions a more table-like use.

They occupy a different role from a conventional side table or a plain footstool. Choose the seat or top arrangement around how the piece will be used, leaving room to reach and open the storage.

Dimensions & configuration

Reference configuration P23 · Storage stool: Ø50 × H50 cm.

Reference configuration P24 · Storage stool: Ø48 × H50 cm.

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size: discuss seat height, width, depth and compatibility with your table. Custom dimensions follow the design and approved drawing.

Materials & colour: submit upholstery, timber or other surface preferences. Confirm colour and texture from physical samples.

Base & details: discuss base finishes and upholstery details. Each seat height and structural configuration is confirmed separately.

Design & construction

Available with up-charge top in: smoked glass, steel and ceramic.

Please advise covers for A and

Care instructions

Gently dust the outer straps and their connections without pulling them or using them as lifting handles.

If fitted with the glass, steel or ceramic top, care for it separately from the upholstery and use protective mats beneath drinks and hot items.

Before ordering
