

## Boulevard

Cabinets & Storage / Design Collection

Boulevard organizes display space across a broad set of panels, punctuated by shelves and visible supports. The back panels provide a continuous visual field for books and objects rather than leaving the wall exposed behind every shelf. Recorded details include leather-covered wood panels, chrome supports, leather straps and smoked or extra-clear glass shelves. Plan the composition around the objects to be displayed, and confirm the layout and installation requirements for the selected version.

### Dimensions & configuration

Reference configuration PA1 · Panel width x height: 85 × 252 cm.

Reference configuration G01 · Shelf length: 110 cm.

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

### Options, colours & customization

Size & layout: discuss cabinet dimensions, shelves, drawers or open compartments for your space. The final layout follows the approved drawing.

Materials & colour: submit timber, upholstery, top material and metal colour preferences for structural and sample review.

Installation details: provide site measurements for skirting, cable openings or fixing positions to be confirmed in the drawing.

### Design & construction

Wood panels covered with leather.

Chrome metal supports.

Leather strings.

Shelves in smoked glass or extra clear glass.

## Care instructions

Dust both sides of the glass shelves separately; apply any approved cleaner sparingly to a cloth, away from shelf supports, covering and joints.

Gently dust the shelf ties and fixings without undoing or pulling them; remove objects from the shelves before cleaning.

## Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
