

Philly bench

Chairs & Stools / Selected Collection

Philly bench keeps the form simple: a long rectangular padded seat, softened corners and narrow legs set at an angle. The open space underneath separates the seat from the floor and gives the bench a lighter side profile.

Its backless arrangement allows use from either long side. Position it at the end of a bed or in a dressing area with enough clear floor to approach and sit.

Dimensions & configuration

Standard P021D: W 150 × D 50 × H 38 cm.

P022D with table: W 150 × D 50 × H 38 cm.

Seat height 38 cm.

Leg height 21 cm.

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

P021D standard bench.

P022D bench with table.

Top options include black or white back lacquered glass, ceramic or marble. Please inquire to confirm the configuration.

Size: discuss seat height, width, depth and compatibility with your table. Custom dimensions follow the design and approved drawing.

Materials & colour: submit upholstery, timber or other surface preferences. Confirm colour and texture from physical samples.

Base & details: discuss base finishes and upholstery details. Each seat height and structural configuration is confirmed separately.

Design & construction

Wood frame.

Polyurethane seat cushion covered with wadding.

Metal legs with finish options.

Stitching CUC 504.

Care instructions

Gently dust the upholstered seat seams; do not beat, wring or wet its foam insert.

Gently dust upholstered seams, edging and adjacent surfaces separately; keep cleaning liquid out of the seams.
