

Brooklyn Bookshelf

Cabinets & Storage / Design Collection

Brooklyn leaves the wall visible through an open arrangement of wood shelves and slender metal supports. Ties loop around the structure, adding an exposed connection detail instead of concealing every fixing.

The recorded options include leather or fabric ties and several wood-shelf and metal finishes. The asymmetrical composition can frame books and smaller objects at different levels; check the selected layout and installation details before assigning positions or loading the shelves.

Dimensions & configuration

Reference configuration GC007 · Shelf width x depth: 82 × 29 cm.

Reference configuration GC008 · Shelf width x depth: 148 × 29 cm.

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size & layout: discuss cabinet dimensions, shelves, drawers or open compartments for your space. The final layout follows the approved drawing.

Materials & colour: submit timber, upholstery, top material and metal colour preferences for structural and sample review.

Installation details: provide site measurements for skirting, cable openings or fixing positions to be confirmed in the drawing.

Design & construction

Metal supports and buttons available in: dark chrome-titanio, burnished aluminium, burnished copper or painted metal.

Leather and fabric ties.

Shelves in wood available in colors: Cemento Sand, Cemento Taupe, Cemento Grey, Cemento Black or Ebano Makassar.

Care instructions

Dust the timber shelves separately from their metal supports; keep edges and joints dry and do not apply shelf treatments to the ties.

Gently dust the shelf ties and fixings without undoing or pulling them; remove objects from the shelves before cleaning.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
