

Big Bag

Accessories / Design Collection

Big Bag brings the familiar outline of a handled bag into the living room as a structured accessory. Its broad opening and gathered-looking sides make a different visual companion to a sofa than a rigid cabinet or open shelf.

A hardwood frame with polyurethane padding gives the bag-like form its structure. Compare its overall width and height with the sofa arm and nearby table, leaving enough room for the accessory without crowding the passage beside the seating.

Dimensions & configuration

Reference configuration B01 · Storage bag: 90 × 70 × 30 cm (W × D × H).

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Bag size: discuss width, depth, height and opening proportions for the approved sample or drawing.

Materials & colour: provide an upholstery sample or colour reference to confirm the finish and texture.

Details: submit handle, stitching and storage requirements for sample and quote confirmation.

Design & construction

Hard wood frame.

Padding in polyurethane.

Care instructions

Gently dust the bag and handle connections with a soft, dry cloth; do not pull the seams or leave damp items inside.

The bag includes a timber frame and foam padding: do not soak or machine-wash the item, and keep its internal support dry.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
