

Cocoon Smart Accessories

Accessories / Design Collection

These Cocoon accessories use covered, lidded forms to bring small-scale storage into the seating arrangement. Visible straps continue across the sides, and the photographed pieces share the same restrained, rectangular outline in different proportions.

The recorded information concerns coordination with the sofa's cover and style. The word Smart is a model name here; charging, lighting or other electronic functions are not specified. Select the accessory around the objects it needs to hold.

Dimensions & configuration

Reference configuration P77 · Ottoman: 48 × 48 × 42 cm (W × D × H).

Reference configuration P79 · Magazine storage: 48 × 48 × 29 cm (W × D × H).

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size: submit your target length, width, height, diameter or installation position for review against this design.

Materials & colour: discuss surface materials, upholstery or metal finishes, subject to material suitability and physical sample confirmation.

Coordination: provide the model and dimensions of any sofa, table or other furniture that the item needs to fit.

Design & construction

Smart accessories coordinated in the same cover and style to the sofa.

Care instructions

Keep the storage interior dry; remove debris from the lid edge and opening with a soft, dry cloth without spraying liquid inside.

Gently dust the outer straps and their connections without pulling them or using them as lifting handles.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
