

Zoom

Accessories / Classic Collection

Zoom interrupts the mirror surface with crossing belt-like details, turning the frame treatment into a visible part of the reflection. The photographed group uses rounded forms of different proportions rather than one repeated rectangle. The recorded hardwood frame is covered in leather. Consider the mirror shape and belt placement together when planning a wall composition, and confirm the dimensions and fixing arrangement for the exact version before installation.

Dimensions & configuration

Reference configuration ES020 · Overall framed mirror: 60 × 2 × 60 cm (W × D × H).

Reference configuration ES023 · Round mirror diameter x thickness: Ø100 × 3 cm.

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size & shape: discuss mirror width, height, diameter or outline for the approved drawing.

Frame & colour: request frame upholstery, finish and colour for physical sample confirmation.

Installation: provide wall and location details so the hanging and fixing method can be agreed in the drawing.

Design & construction

Hard wood frame covered with leather.

Care instructions

Wipe the mirror with a soft, lint-free cloth; apply an approved cleaner to the cloth rather than spraying the edges or backing.

Dust the trim that crosses the mirror with a separate soft, dry cloth; keep mirror cleaner off the trim and its junctions.

Dust the leather trim with a separate soft, dry cloth; keep mirror cleaner off it and do not pull its seams.

Before ordering
