

New York Mirror

Accessories / Classic Collection

The New York mirror uses a long rectangular reflective area surrounded by a leather-covered frame. Oversized zipper details at the sides connect the otherwise simple border with the panel and fastening details of the wider range.

Its standing format can be considered for a bedroom, dressing area or entrance. Check the complete frame dimensions and the specified support or fixing arrangement, leaving sufficient space around the mirror where people move past it.

Dimensions & configuration

Reference configuration ES010 · Overall framed mirror: 113 × 5 × 200 cm (W × D × H).

Reference configuration ES011 · Overall framed mirror: 153 × 5 × 200 cm (W × D × H).

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size & shape: discuss mirror width, height, diameter or outline for the approved drawing.

Frame & colour: request frame upholstery, finish and colour for physical sample confirmation.

Installation: provide wall and location details so the hanging and fixing method can be agreed in the drawing.

Design & construction

Hard wood frame covered with leather.

Care instructions

Wipe the mirror with a soft, lint-free cloth; apply an approved cleaner to the cloth rather than spraying the edges or backing.

Dust the leather trim with a separate soft, dry cloth; keep mirror cleaner off it and do not pull its seams.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
