

Stone ottomans

Chairs & Stools / Classic Collection

Stone ottomans use simple padded volumes with softened corners rather than decorative legs or a high back. The range includes different sizes, allowing a larger rectangular piece and a smaller seat to form a loose group.

Place them beside a sofa as occasional seating or use one to extend a lounging position. Their low form leaves the view across the room open while providing another place to sit or rest your feet.

Dimensions & configuration

Reference configuration P52 · Rectangular ottoman: 120 × 70 × 41 cm (W × D × H).
