

Roger

Chairs & Stools / Design Collection

Roger uses a rounded body with broad leather details wrapping around the sides. The reference range separates an upholstered seat version from a tabletop version, letting the same compact form serve different roles beside larger furniture.

Ceramic and marble are documented for the table version. Choose the upholstered version for a low occasional seat, or specify a hard top when the piece is intended as a surface beside a sofa or bed.

Dimensions & configuration

Reference configuration P82 · Ottoman: 48 × 47 × 45 cm (W × D × H).

Reference configuration P83 · Side table: 48 × 47 × 32 cm (W × D × H).

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size: discuss seat height, width, depth and compatibility with your table. Custom dimensions follow the design and approved drawing.

Materials & colour: submit upholstery, timber or other surface preferences. Confirm colour and texture from physical samples.

Base & details: discuss base finishes and upholstery details. Each seat height and structural configuration is confirmed separately.
