

Philly magazine rack

Accessories / Selected Collection

Philly brings magazines into the seating arrangement with an open, bag-like rack rather than a solid cabinet. A handle and side straps give the accessory a clearly defined outline, with the contents visible above the edge.

Its compact form can be considered beside a sofa or lounge chair without adding another tabletop. The covering, internal dimensions and intended loading should be established for the selected version; the photograph alone does not confirm a carrying capacity.

Dimensions & configuration

Reference configuration B08 · Magazine rack: 59 × 26 × 33 cm (W × D × H).

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size: submit your target length, width, height, diameter or installation position for review against this design.

Materials & colour: discuss surface materials, upholstery or metal finishes, subject to material suitability and physical sample confirmation.

Coordination: provide the model and dimensions of any sofa, table or other furniture that the item needs to fit.

Care instructions

Gently dust the bag and handle connections with a soft, dry cloth; do not pull the seams or leave damp items inside.

Follow the actual labels for the bag and lining separately; do not soak or machine-wash the complete item before its materials and removable parts are confirmed.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
