

Frida

Armchairs / Classic Collection

Frida has a high back, a deep seat and a softly enclosing outline traced by prominent piping. The raised back gives the chair a different presence from a low occasional seat, making it a useful focal point beside a sofa or in a reading corner. Fixed and swivel versions offer different ways to arrange the chair: a settled position facing into the room, or a seat that can turn between a conversation area and a view.

Wipe the exposed metal legs or base with a soft, dry cloth; keep mop water off the feet and avoid abrasive polishes.
