

Grace

Armchairs / Design Collection

A rounded body, substantial cushioning and a circular swivel base give Grace a low, sculptural presence. The seat and surrounding shell read as separate volumes, with a continuous outline that remains visible when the chair is placed away from a wall.

Use the swivel layout where a chair needs to face both a sofa and an open room. A restrained covering keeps attention on the shape; a contrasting surface makes the inner seat more distinct.

Dimensions & configuration

Seat depth 58 cm.

Seat height 42 cm.

Seat width 63 cm

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size: discuss seat width, depth, height and back proportions. Custom dimensions follow the design and approved drawing.

Upholstery & colour: provide a fabric or leather swatch, or a colour reference, for material and sample confirmation.

Base & details: discuss the base material, finish and stitching colour. Functional options such as a swivel base require separate confirmation.

Design & construction

Rigid polyurethane and multilayer wood frame.

Polyurethane seat and back cushions.

Swivel metal base with finish options, covered in leather.

Stitching CUC504

Care instructions

Keep the swivel base clear of dust and obstructions; dry-dust its gaps without dismantling it, adding liquid or lubricating it yourself.

Dust the leather-covered swivel base separately with a soft, dry cloth; keep seat-cleaning liquid out of its trim and swivel gaps.

Smooth the foam-padded surfaces gently; do not beat, wring or saturate the padding.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
