

Bridge

Tables / Design Collection

A long top and a pair of open supports give Bridge a clearly defined horizontal profile. A crosspiece links the supports beneath the surface, leaving the table's construction visible from the side.

The leather-covered structure is paired with exposed metal details. Listed surface options include back-lacquered glass, ceramic and marble, with some finish exclusions by model. Choose the size and surface together, then check chair positions against the support layout.

Dimensions & configuration

Reference configuration T341B · Dining table: 200 × 120 × 76 cm (W × D × H).

Reference configuration T343B · Dining table: 240 × 120 × 76 cm (W × D × H).

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size & shape: discuss top length, width, height, diameter or outline. Dimensions follow the structure and approved drawing.

Materials & colour: request stone, wood, glass or another surface for review against the design and physical samples.

Base & finish: submit your preferred base style, metal colour and surface treatment for confirmation with the materials and quote.

Design & construction

Wood and multilayer board structure covered in leather.

Back lacquered glass shelf, black or white.

Ceramic shelf available in all finishes, except Limestone for models T345B and T346B.

Marble shelf available in all finishes.

Metal base and inserts available in all finishes except Chrome.

Shelf supports available only in matte black finish.

Care instructions

Dust the leather-covered frame separately from the hard top; apply any approved cleaner to the cloth, not directly to the covering, joints or edges.

Use coasters and heat-resistant mats on the top; lift objects instead of dragging them and protect the edges from knocks.

Follow the care instructions for the selected top finish and identify its material before using a cleaner.

Wipe the exposed metal legs or base with a soft, dry cloth; keep mop water off the feet and avoid abrasive polishes.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
