PRODUCT INFORMATION

Crystal Night

Beds / Classic Collection

Crystal Night carries its upholstered outline from the divided headboard to the rounded bed base. An optional bench extends the composition at the foot, with a right or left position to suit the bedroom layout.

The wood and multilayer structure includes padded headboard and base sections with wooden slats. Consider the bench position alongside bedside access and the mattress size; these choices affect the overall footprint of the arrangement.

Dimensions & configuration

Headboard height 112 cm.

Base height 32 cm.

Wood bed leg height 4 cm.

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Care instructions

Gently dust the headboard and bed-rail seams; follow separate care labels for bedding and the upholstered frame.

Keep the fabric on the back of the headboard dry and ventilated; do not press it against a damp wall.

If the foot-end bench is fitted, dust its junction with the bed rail gently without pulling on the connection.

When tending the mattress, remove loose dust from the slats and keep the underside ventilated; do not spray cleaner at the slat connections.
