

Audrey nightstand

Nightstands / Classic Collection

Audrey lifts a single drawer above an open metal frame, separating the bedside surface from the floor. The small leather-covered handle follows the finish of the cabinet body rather than becoming a contrasting ornament.

Its wood structure is covered in leather, with glass, ceramic, marble and selected covered-top options listed. The drawer provides enclosed bedside storage, while the space below preserves a clear view of the base and surrounding floor.

Dimensions & configuration

75 x 53 x H.54

Care instructions

Empty drawers before dry dusting; keep liquid away from runners, handle fixings and panel joints.

Support and gently wipe the leather-covered handles without scrubbing or pulling the stitching; keep tabletop cleaner off them.

Dust the cabinet covering separately from the top; keep liquid out of covered edges, panel joints and base connections.

Follow the care instructions for the selected top finish and identify its material before using a cleaner.
