

Audrey Vanity Desk

Tables / Classic Collection

The Audrey vanity desk stretches a single drawer across a narrow horizontal body, held above the floor by an open metal base. Its leather-covered frame and handle keep the storage element visually connected.

Listed tops include glass, ceramic, marble and selected leather finishes. Plan the surface around the mirror and objects you use each day, leaving room for the chair beneath and beside the frame. The restrained outline also allows nearby bedroom furniture to remain visible.

Dimensions & configuration

121 x 59 x h.80

Measurements above refer to the documented reference configuration. Custom overall dimensions and arrangements follow the approved drawing.

Options, colours & customization

Size & shape: discuss top length, width, height, diameter or outline. Dimensions follow the structure and approved drawing.

Materials & colour: request stone, wood, glass or another surface for review against the design and physical samples.

Base & finish: submit your preferred base style, metal colour and surface treatment for confirmation with the materials and quote.

Design & construction

Wood frame covered in leather.

Back lacquered glass top, black or white.

Ceramic top available in all collection finishes.

Marble top available in all collection finishes.

Leather top available in all collection finishes except Deluxe and Sauvage.

Handles covered in leather.

Metal base available in all collection finishes.

- CUC 507 stitching.

Care instructions

Empty drawers before dry dusting; keep liquid away from runners, handle fixings and panel joints.

Support and gently wipe the leather-covered handles without scrubbing or pulling the stitching; keep tabletop cleaner off them.

Dust the leather-covered frame separately from the hard top; apply any approved cleaner to the cloth, not directly to the covering, joints or edges.

Use coasters and heat-resistant mats on the top; lift objects instead of dragging them and protect the edges from knocks.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
