

Full Pleated Back Sofa

Sofas / Curved Forms

Vertical pleats divide the full back of this sofa, continuing the surface rhythm between its rounded arms. A substantial seat gives the front a broad horizontal line, while the photographed warm tones bring the folds into view.

Compare the pleated back with the smoother surfaces of a coffee table or adjoining furniture. Close views show the seams and the changes in shape at the ends.

Design & construction

Vertical pleats divide the full back, while rounded arms and a substantial seat create a continuous outline. Warm tones highlight the surface texture and soft edges.

Care instructions

Gently dust the grooves along the pleats; do not use stiff brushes, pick at them or pull the pleated surface flat.

Dust the lower edge of the low seat before cleaning the floor; keep mop water away from the covering.

The covering and filling follow the confirmed order; do not remove covers, soak the item or beat the filling before checking the care label.
