PRODUCT INFORMATION

Santos

Sofas / Classic Collection

A straight seat line, separate back cushions and a slender base give Santos a more architectural outline. Shelf-style end elements link seating with nearby tables and storage. Leave enough room beside these elements when planning circulation, and confirm the dimensions, end modules and finishes for the version you choose.

Dimensions & configuration

Seat depth 59 cm.

Seat height 42 cm.

Armrest width 25 cm.

Armrest height 57 cm.

Reference configuration D2M · Straight sofa: 210 × 102 × 82 cm (W × D × H).

Options, colours & customization

Size & layout: discuss a straight, corner or modular arrangement for your space. The final design follows the approved drawing.

Upholstery & colour: send your preferred fabric, leather swatch or colour reference. Material suitability and colour are confirmed from physical samples.

Details: specify your preferred leg finish, surface finish and stitching colour for review with the material selection and quote.

Design & construction

Wood and multilayer board structure with elastic webbing seat suspension.

Polyurethane seat cushions with a wadding wrap. Confirm the materials for your configuration.

Feather back padding with a polyurethane core.

Curved multilayer wood structure for the bookshelf armrest.

Wood base height 15 cm, available in all finishes.

Bed option not available.

Stitching CUC 503B.

Care instructions

Dust the shelf-style arms and adjoining upholstery separately; lift objects before moving them to avoid scuffing the covering and edges.

Gently gather and reshape the back cushions with feather wrapping and foam cores; do not beat, wring or wet the cores.

Before ordering

This sheet is for product selection. Custom dimensions, construction, materials and colours are subject to the approved samples, drawings and order.
